

Protecting You, Just as You Protect Our State

California firefighters receive a premium break on Auto and Homeowners Policies with CIG.*

As a California-based insurer, we are passionate about protecting and restoring our home state. The impact fires have on our state can be devastating, which is why we appreciate our hardworking local firefighters and the daily risks they face.

That's why CIG is proud to offer a premium break on Auto and Homeowners Policies to firefighters, in coordination with the California Professional Firefighters (CPF).

COVERAGE DESIGNED FOR YOU INCLUDES:

- A 5% premium break on your Personal Auto Policy;
- A 6% premium break on your Homeowners Policy;
- PLUS extra coverage for on-premises business property
