## Is life insurance part of your financial plan?

### Term life insurance — a smart addition to a financial plan

Life insurance is more than a 'nice-to-have.' It's part of sound financial planning — a smart money move, just like saving for retirement. Adding term life insurance to your long-term plan can help set your family up for financial resiliency.

### Help protect your family's financial future

With plans from as little as \$10/mo, coverage amounts between \$50,000 - \$1,500,000. And if you're not around, that's money that your family could use to pay for things like:

Mortgage /  
Rent

College tuition

Child care

Everyday expenses

Car loans /  
Credit cards
